

essential questions to ask your wedding day photographer...

- Which camera do you use?
- Are they fully professional cameras?
- Do you carry a spare?
- What's your style?
- How do you operate on the day?
- How long will you be with us on the day?
- Will you be there for preparations and stay until the very end?
- Have you photographed a wedding at our chosen venue before?
- Do you bring a second photographer?
- Is your second photographer a professional in their own right?
- How many times have you worked with your second photographer before?
- Do you use flash during the ceremony?
- Do you have public liability insurance?
- What if something happens to you on the day?
- What do we receive afterwards?
- How do we secure your services?
- Do we own all our photos?
- Can we make our own prints afterwards?
- Are there any additional costs whatsoever?
- Do you shoot in colour or black and white?
- We would like family group photos, how many should we have?
- How long do the group photos take, as a guide?
- What do you wear when photographing a wedding?
- Can we see examples of your photography from lots of different weddings?
- How long after our wedding will we receive the photos?
- Will our guests be able to see the pictures online after the wedding?
